TEST DAY RULES AND PROCEDURES

Check-in Deadline

The doors to each testing center will open at least 15 minutes before all scheduled testing appointments in order to check candidates into the testing center. You should plan to arrive early to make sure you are seated by the time the testing begins. If you arrive late, AND the testing session has already begun, YOU WILL BE TURNED AWAY, will forfeit your exam fees, and will be required to reschedule for a future testing date.

Proof of Identity

Upon arriving at the testing center, you will be required to show government-issued, photo identification. The photo ID must be current and valid. Additionally, the name on your ID **must match exactly** with the name

you provided to Prov at time of scheduling. Please make any corrections to your name prior to your scheduled testing appointment.

Forms of valid photo-bearing ID are a driver's license card, passport, military ID, or permanent resident card. A temporary Utah Driver's License (paper copy) by itself is not sufficient proof of identity. If you currently have a temporary driver's license, you will ALSO need to bring in your recently EXPIRED original driver's license. Together your new temporary driver's license and your expired original license can be used to verify your identity. If you only have the temporary copy or the expired license, you will be refused entry. You will also be required to sign a test center log and will be photographed by the test center staff. If you cannot produce a valid government-issued photo ID, refuse to participate in signing the test center log, or refuse to be photographed, you will be dismissed from the testing center and forfeit all testing fees for that testing session. If you do not have a photo ID, you may still present a valid State driver's license without a photo or a State ID card without a photo that is issued by the DMV.

You will be refused to test by the testing center staff if:

- your name on the testing roster and name on ID do not match exactly
- you do not produce a valid government-issued photo ID
- you refuse to sign the test center log
- you refuse to be photographed

If refused at the testing center, you will be dismissed and forfeit all testing fees for that testing session.

Prohibited Items

No cameras, recorders, cell phones, computers, pagers, tablet computers, music players, smart watches, radios, electronic games, or any other electronic devices are allowed in the testing room. Talking and smoking are not allowed in the testing room.

Additionally, other personal items such as purses, notebooks, references or study materials, briefcases, backpacks, wallets, pens, pencils, other writing devices, food or any other items should be placed in secure storage at the testing facility.

For exam security you may also be **asked to remove** articles of clothing that may pose a security risk such as the following:

- Bulky clothing, scarves, hoodies, shawls, vests, jackets, coats, and so forth.
- Hats or headgear not associated with religious reasons.
- Any other clothing or device that may be interpreted as having the potential to compromise the testing process.

We ask that you leave all unauthorized materials in your car or vehicle. If you are caught using unauthorized materials during testing, these materials will be confiscated, your testing will be terminated with fees forfeited, and the Division will be notified of your dismissal from the exam.

Visitor Policy

No one other than the candidate will be allowed in the testing room. Non-testing visitors are NOT permitted to wait in the lobby while candidates test.

Unethical Conduct Policy

Any individual caught giving or receiving assistance during or after the examination or caught using unauthorized materials during the examination will be reported directly to the Division. Those caught in the act of cheating will be dismissed from the examination and their testing results will be frozen. Furthermore, the candidate will forfeit the examination fees paid. Anyone caught with test questions in their possession, either during or following the examination will be prosecuted by Prov for theft of copyrighted testing materials.

If you violate any of these procedures during testing, your test will be stopped, your test be graded as failed, you will forfeit your testing fees, and you will be reported to your licensing board, which typically ends in a 12-month testing moratorium.

RESULTS REPORTING

Upon completion of the **Certified Public Accountant (CPA)** examination, it will be scored, and you will be provided with a score result while at the testing center.

The **Certified Public Accountant (CPA)** exam will be scored and graded against a cut-score of 75% which is

the passing score is required in order to qualify for licensure.

RETESTING POLICY

You may retake any failed exam as often is as necessary. There is no waiting period between testing attempts.

PROV'S NON-DISCRIMINATION STATEMENT

Prov provides equal access to its exams and testing programs for all eligible persons. Although individual jurisdictions that Prov represents are wholly responsible for determining eligibility of candidates, it is the policy of Prov to maintain an environment free of discrimination and to prohibit discrimination and harassment against any person on the basis of race, color, national origin, gender, religion, age, disability, political beliefs, sexual orientation, and veteran, marital or family status.

Harassment of Prov program participants, proctors, staff or candidates will not be tolerated. If candidates wish to express concerns about discrimination, they should contact Prov at 801-733-4455 or write to: Prov, Inc., 150 W Civic Center Dr, Suite 601, Sandy, Utah 84070.

SPECIAL ACCOMMODATIONS

Prov complies with the Americans with Disabilities Act (ADA) in providing special accommodations for candidates that require additional assistance during the testing process. If candidates feel that they qualify for special accommodation during testing, they should contact Prov at 801-733-4455. Prov will require written documentation from a licensed physician or psychologist documenting the disability and further require a request describing the requested remedy. Prov will then work directly with the candidates to make the accommodations they will need in order to complete their examination.

EXAM TEST SITE AVAILABILITY

You may take the Certified Public Accountant examination at any one of Prov's testing centers located from Logan to St. George. You can also take the exam at home using Prov's Examroom® service.

What is Examroom?

Examroom is a remote test monitoring service that allows you to take the test on your own computer at your home. You schedule the test the same way you would an in-person testing site; by selecting your preferred test date and time. Then, on test day, you log into the Examroom website and request to start your exam. A test proctor will greet you over your computer, verify your identity, take your picture, and observe you throughout the testing process.

How to decide whether to use Examroom? **Not every computer system is capable of taking a test on Examroom.** The following are the **MINIMUM** requirements that your computer system would need in order to qualify to take the test using the Examroom service:

- Operating system on computer needs to be recent (less than 3-4 years old)
- Works on a MAC, PC, or Chromebook
- Need either a Chrome or Firefox browser (Chrome works best)
- Need a functioning computer web-camera and microphone
- Need a good consistent Internet connection capable of **uploading** files in excess of 3 Mbps

Please use the following link to do a system check **before you schedule** the exam to make sure your computer system will support testing using the Examroom Service.

<https://examroom.ai/systemtest/>

When prompted “Permission to access camera and microphone”, you must click “Allow”.

Note, you are permitted to use only one monitor/screen during your remote exam.

If your system does not allow you to test at home, don’t worry, we have some great testing locations that are not too far away.

Remote testing is offered as a convenience to you to help you take your test without having to travel. However, by choosing to test remotely, you agree to abide by the following conditions:

1. You will need to be in a quiet, distraction-free environment.

2. You need to be sitting at a table, desk, or counter.
3. Your table or desk needs to be completely clear of anything you are not permitted to use during testing; no papers, notes, non-testing books, practice exams, water bottles, drinks, food, etc.
4. All non-testing electronic equipment needs to be removed from the room; 2nd monitors, calculators, additional cell phones, etc.
5. Your area under your table, desk, or chair needs to be clear of everything; blankets, pillows, papers, backpacks, boxes, etc.
6. Your work area needs to be obstruction free so that we can see you, your arms and hands, throughout the entire testing process.
7. You are not permitted to have anyone in the room with you, nor can you receive any aid from anyone during the test.
8. You are not permitted to access any other website during testing unless directed by the system to do so.
9. If requested to download a special extension on your computer, you will not tamper with the extension or try to disable it while testing.

If you are unable to have a testing environment that meets these conditions, we may deny you the ability to test remotely, and we will reschedule you at one of our in-person testing center.
